List of Figures

2.1 Worldwide IT Market Share 1990 22

2.2 Worldwide IT Market Share 1991 23

2.3 Worldwide IT Market Share 1995 24

2.4 Worldwide IT Market by IDC Regions 1990 & 1995 25

2.5 Proportions of IT Market 1990, HW USA vs. Japan 26

2.6 Japans Proportions of World IT Market 1990, HW 27

2.7 Japans Proportions of Asia/Pacific IT Market 1990, HW 28

2.8 Proportions of IT Market 1990, HW in Japan 29

2.9 Major IT Markets 1995, Japan vs. USA 30

2.10 Major IT Markets 1995, Japan vs. Europe 31

2.11 Projected PC Shipment in Japan by Type 32

2.12 PC Shipment in Japan by CPU Type 33

2.13 Shipment Trends of PC & Laptop Computers in Japan 34

2.14 PC Market Share in Japan 35

2.15 PC Shipment in Japan by OS Type 36

2.16 Pc Market share by OS 37

2.17 Expanding OS Market Share 38

2.18 WKS Shipment in Japan 39

2.19 Software Products & HW Platforms in Japan 40

2.20 Interest in foreign SW on HW Platforms 41

2.21 Software Demand Forecast 1990's 42

2.22 Projection of Computer Software Market 43
2.23 Software Products Trends in Japan 44
2.24 Type of Software Product Development 45
2.25 Comparison of Software Products Market 46
2.26 Software development & Programming 47
2.27 Custom Software & Software products 48
2.28 Software Service Market Forecast 1993 49
2.29 Market Share of Packaged Software, 83-88 50
2.30 Market Share of Packaged Software, today 51
2.31 Top 30 Software Packages sold in Japan 52
